

Credit Review

Our goal is to find you a financial solution that is right for you. Here is a list of products that we offer:

- **Mortgage***

Choose Alterna Savings for your mortgage and purchase your dream home while taking advantage of our great rates.

- Refinancing: tap into your equity and possibly lower your mortgage rate.
- Re-amortization: adjust your mortgage payment amount so that it works better for you.

Any home purchase where less than 20% down is paid requires mortgage insurance. Click [here](#) to learn more about the recent changes introduced by CMHC (changes do not apply to Canada Guaranty and Genworth)

- **Line of Credit (Home Equity Secured or Cash Secured) and Loans***

Access funds readily available for both your day to day needs as well as larger purchases/projects.

- **Overdraft Protection***

Provide yourself peace of mind by adding Overdraft Protection to your Alterna everyday banking account. You'll have access to extra funds, if you need it.

- **Credit Cards***

We offer a variety of Credit Card options. Compare and select a Credit Card that is right for you.

*Subject Credit Approval. Terms and Conditions apply.

We have a variety of payment options that suit our members' unique needs and our advisors can help you build a payment plan that works for you.
